

REAL ESTATE MAN KILLED AND HOME WRECKED BY BOMB

**Young Son Also Injured, Death Coming
Twenty Minutes Later—Box With Bomb
was Marked Magazines and Came from
San Antonio—Many Windows Shattered**

CORPUS CHRISTI, TEXAS, Nov. 14.—(A. P.)—A bomb today blew J. A. Barnes, prominent real estate dealer, to pieces, mangled Jesse, his 12-year-old son, who died 20 minutes later, wrecked the Barnes dwelling, and blew to bits every window in residences for the distance of a block. Mrs. Barnes was cut by flying glass. The bomb was in a box about ten inches long and five or six inches wide. It was sent by express from San Antonio. The bomb was contained in a wooden box marked "J. A. Barnes, Corpus Christi, Texas," and "Magazines." It was marked "personal."

Police officials received word this evening from San Antonio authorities that a Mexican boy named Juan Morales, a newsboy, has been arrested in connection with the explosion. Morales told officers that the package was given to him by a "crippled white man" in an automobile who asked that he take it to the express office.

The package arrived in Corpus Christi last night and was delivered at about 10:30 o'clock this morning. Jesse, the son, asked his mother for permission to open the package, but Mrs. Barnes refused.

EYES TURN NOW TO CONVENTION CITY FOR 1924

**Five Seeking Privilege of Entertaining
Republicans**

WASHINGTON, Nov. 14.—The great national political show of 1924 had its formal fall opening today with the assembling here of Republican leaders to begin work in selecting the convention city for next year. As the first official account of the presidential campaign, a sub-committee of the Republican national committee tomorrow will receive invitations from several cities bidding for their 1924 conclave, subject the final choice of the full national committee which will meet here December 11.

"Political gossip bubbled today in hotel lobby conferences of Republican national committeemen and other leaders from several states, there being wide discussion of the prospects of President Coolidge, Senators Johnson of California and LaFollette of Wisconsin, former Governor Lowden of Illinois and others mentioned in connection with the presidential nomination. Discussion of presidential prospects appeared to take almost equal rank with the business which had brought the Republican leaders here, the initial work toward choosing a convention city.

Five Seek Honor

Five cities are seeking the 1924 Republican meeting—Chicago, Cleveland, Denver, Des Moines and San Francisco. Representatives of each will present invitations and their claims tomorrow before the national sub-committee at a meeting at the New Willard hotel. David Mulvane, of Kansas, is the sub-committee chairman, his associates being Charles D. Hilles of New York, W. M. Butler of Massachusetts, Ralph Williams of Oregon and H. L. Remmell of Arkansas.

Chicago's bid is to be received first, the sub-committee deciding to hear the delegations in alphabetical order. Fred W. Upham, treasurer of the national committee, will present its claims. Representative Burton and Carmi Thompson are to speak for Cleveland. Senator Cummins and former Senator Rawson head the Des Moines delegation, while Warren Shannon of the San Francisco board of supervisors, and John P. Shea of the Hotel Men's association will urge that citizen's claims. Who will speak for Denver had not been determined definitely tonight.

OBJECTION TO PINCHOT CLAIM GIVEN PUBLIC

**Lehigh Valley Company Official Claims
Bad Faith**

PHILADELPHIA, Nov. 14.—Samuel D. Warriner, president of the Lehigh Coal & Navigation company, chief spokesman for the anthracite coal operators' policy committee, tonight sent a letter to Governor Pinchot in which he stated that he viewed "with indignation" the governor's statement of November 9 to the effect that the operators had refused to recommend to the industry that it should clean its own house of abuses known to exist.

The letter stated that the governor suggested that the operators agree not to sell coal to retailers who charged higher prices than last year, but that the operators feared such a plan would be a violation of the criminal laws of the United States and it would mean an attempt on the part of the producers to fix retail prices in more than 25,000 communities. The letter also pointed out that the governor had been assuring the operators for four weeks that he would endeavor to obtain the opinion of the state's attorney general on the point and that the opinion had not yet been received.

Text of Letter

"You will pardon me if I view with indignation the public statement issued by you following our conference of Friday, November 9. In that statement you say: 'The committee of anthracite operators, consisting of Messrs. Warriner, Richards, Cornell, and Jessup held a final conference with me this afternoon to decide whether or not they would recommend to the anthracite industry that it should clean its own house of the abuses which are known to exist. They have refused.'

"The impression created by this statement and by your call for the governors' conference on November 29, is that of stubborn resistance to reasonable and definite reforms put forward in the public interest. The facts are otherwise.

Suggestions Made

"The only suggestion made by you was that we should agree among ourselves, and with you, not to sell to retailers who charged higher prices than last year, regardless of the fact that by the settlement with the mine workers brought about thru your intervention, prices to retail dealers have increased. This would mean an attempt on our part to fix retail prices in over 25,000 communities by an inflexible rule without consideration of varying local conditions.

"You will recall that we feared such a plan would be a violation of the criminal laws of the United States. You then assured us you would endeavor to secure the opinion of your attorney general. For four weeks you have been assuring us that you would furnish this opinion. The opinion has not been received.

"Again, let us repeat, as stated in our letter of November 3, the opinion and a memorandum of your specific suggestions would be a great help in our study of the points at issue."

TRIAL TO IMPEACH OKLA. GOVERNOR TO CONTINUE TO END

Senate Court Disregards Efforts to Shorten Proceedings

OKLAHOMA CITY, Okla., Nov. 14.—(A. P.)—The state senate court, disregarding all efforts to shorten the impeachment trial of Governor J. C. Walton, today plunged into an investigation of the charges that he received a bribe for approving an appropriation for the University preparatory academy at Tonkawa, Oklahoma.

Regents of the school testified that \$6,000 was paid to A. B. Snodgrass, assistant state highway commissioner and alleged confidant of the executive, for which they said they had been promised the appropriation for the school.

No evidence was introduced to show that Governor Walton had taken part in the transaction or that his name had been mentioned, but the house board of managers conducting the prosecution, said it would seek to prove that the governor let it be known he would veto the appropriation for the academy and that the alleged bribe was passed soon afterward.

Prosecution's Claim

The prosecution said it would show that the money was paid by Tonkawa citizens to Valentine Gardner, of Oklahoma City, who turned it over to Snodgrass in six \$1,000 bills, that within a few days governor Walton went to Kansas City with two men and that after his return he purchased \$6,700 worth of building and loan stock, paying for it largely in liberty bonds.

The prosecution admitted it could not present direct testimony that the money actually had been given to the governor but asserted it would rest its case on circumstantial evidence based on the reported intimacy between the executive and Snodgrass.

The court apparently barred the way to a speedy termination of the trial today when it voted present testimony in spite of all 22 of the impeachment charges before resting. Previously, the prosecution had indicated it would rest after 13 charges had been covered, holding in abeyance the remaining nine articles all dealing with martial law charges and involving constitutional questions which admittedly will require much time in presentation.

SWEARS WALTON JOINED K. K. K.

Oklahoma City, Okla., Nov. 14.—Dr. A. E. Davenport, state health commissioner, not only saw Governor Walton take the Ku Klux Klan oath and pay his initiation fee in the organization but filled out the membership card for the governor at the executive's direction, according to his testimony before an investigating committee of the lower house of the state legislature which was made public tonight.

LIVELY SKIRMISH BEGUN FOR CONGRESSIONAL PREFERMENT

WASHINGTON, Nov. 14.—Electioneering for the plums to be divided in the choice of officers of the senate and house in the new congress already has begun.

Rivalry is centered largely among the republicans with their majority control of both bodies, but the Democrats also are divided over the ticket they will present for all offices from president of the senate and speaker of the house down.

Present indications are for sharp contest in the house. The re-election of Speaker Gillett is said by organization leaders to be certain and it generally is conceded that Representative Finis J. Garrett, of Tennessee, will be the Democratic candidate, but a spirited fight for leadership honors and committee places is in prospect.

The progressive bloc is demanding important committee assignment and with enough votes to give control if aligned with the Democrats, the progressives are in a strategic position of power. This group is said to be more interested in the committee lineups than in the cast for majority leadership, appearing now to lie between Representative Longworth of Ohio and Graham of Illinois.

A call already has been issued for a conference of house Republicans on December 1, to arrange a slate of candidates, and a call for the organization conference of Republican senators is to be issued next week by Senator Lodge of Massachusetts, Republican leader, probably for November 30 or December 1.

The outlook now is said to presage an agreement between the Republican senators without much difficulty, thru retention of the seniority rule. Under this the present chairmanships would remain largely unchanged, with

GERMANY SOON MAY STOP ALL DEBT PAYMENTS

**Bavarian Students are
Active in Organized
Rebellion**

LONDON, Nov. 14.—The complete cessation of every kind of reparation by Germany was semi-officially announced tonight, according to the Central News from Berlin.

This action was taken on the ground that the treaty of Versailles had been violated by France and that therefore it would not be observed by Germany.

Cannot Meet Drain

Berlin, Nov. 14.—After November 25 Germany no longer will be able to meet the drain upon her exchequer for the payment of unemployment doles in the Ruhr and the Rhineland and will then set both these regions adrift, permitting them to shift for themselves.

This direct statement was made in official quarters here tonight.

Unless Chancellor Stresemann arrives at a different conclusion after pending conferences with leaders in the occupied areas, as the reichstag opposes such a policy, it is now believed that the immediate future of the Rhineland and the Ruhr will be wholly determined by the nature of agreements which the local leaders there are able to enter into with the French and Belgian authorities.

Payments to Workers

The unemployment doles which the German government is paying out to unemployed men and women in the Rhineland and the Ruhr will amount to 200,000,000 gold marks in the next ten days.

There is an apparent desire to pass along the buck to France and Belgium, leaving the German populace to make its peace with the occupying powers for an indefinite period and permitting the central government to wash its hands of the legacy bequeathed it by nine months of passive resistance.

If this solution is adopted by the central government it will, incidentally, preclude a complete reversal of procedure with reference to reparations; and, while no statement is forthcoming in this respect, it is presumed the creditor powers would have to enter into separate terms with the industrialists regarding deliveries, while the question of gold payment would be protested by Germany on ground that she was deprived of uninterrupted disposition of her complete economic organization, or a demand would be made for a postponement of cash payments until the country's financial situation has sufficiently recuperated to warrant them.

LEGIIONNAIRES ARE EXPECTING AID IN BONUS LEGISLATION

**State Commander of Illinois Department of
Legion Announces Appointments—States
Legionnaires Expect Illinois Congressmen
to Support all Bonus Legislation Named**

SPRINGFIELD, Ill., Nov. 14.—(A. P.)—Colonel John J. Bullington, state commander of the Illinois department American Legion tonight announced his appointments and issued a statement in which he declared Illinois legionnaires are expecting that Illinois congressmen support all bonus legislation, at the next session of congress.

Colonel Bullington came to this city from Belleville tonight to confer with Junior Vice Commander Howard C. Knetts and announced his list of appointments after the conference. The list follows:

Adjutant, Floyd J. Hoeckel, Bloomington, to succeed L. P. Owen, recently named prohibition director of Illinois; Judge advocate, Colonel John V. Clinch, Chicago; medical officers, Dr. Francis Barton, Danville; sergeant at arms, Fred La Cheek, Atlanta; historian, William Mundt, Fairbury, and insurance officer, William W. Bradbury, Robinson.

Captain J. M. Dickinson, Chicago, son of former Secretary of War Dickinson, has named chairman of the committee on rehabilitation, in his statement Commander Bullington said:

"The ex-service men and Legionnaires of Illinois will expect their representatives in congress to support bonus legislation advocated and endorsed by the national convention at San Francisco and our own recent state convention at Danville, as arguments here to force used against its passage are no longer tenable.

"The ex-service men will demand a decision at this next session of congress and will expect the promises of the government to pass the bonus law when finances would permit it to be filled at an early date."

HOUSE OF BISHOPS IN REAFFIRMATION OF LITERAL FAITH

**Protestant Episcopal Church
Throws Down the
Gauntlet**

DALLAS, Texas, Nov. 14.—(A. P.)—In a ringing reaffirmation of faith in the Virgin birth of Christ and the Apostles' creed, the House of Bishops of the Protestant Episcopal church this evening threw down the gauntlet to various church men, in and out of the ministry, who have been casting doubt upon literal interpretations of these assertions.

Successors to Bishops Henry D. Aves of Mexico and Henry St. George Tucker of Tokyo, Japan, whose resignations were accepted by the house of bishops of the Protestant Episcopal church in the U. S. A., in special session here today, will not be chosen at the present meeting of the house, it was announced tonight.

The vacancy in Mexico will be filled temporarily without a bishop being elected to the place at this time, it was decided in view of certain conditions existing in the church in that republic.

Because of a proposed creation of a suffragan bishop to aid Bishop John McKim of Japan and in view of the consecration of two bishops in that country within a few months, it was decided that no nominations would be made at this session for the bishop of Tokyo. The house voted to establish a new missionary district at Tohoku, Japan, which also will be under the direction of Bishop McKim.

The successor to the Right Reverend Philip Rhinelander of the Diocese of Pennsylvania, whose resignation also was accepted today, will be chosen at a diocesan meeting and submitted to the house for confirmation.

**TREASURY CERTIFICATES
WILL BE OFFERED**

WASHINGTON, Nov. 14.—Secretary Mellon announced tonight a new offering of treasury savings certificates, designated as the issue of December 1, 1923, succeeding the issue of December 1, 1922 and maturing in five years. The new offering will be placed on sale on the date issued and the same date will be discontinued simultaneously. The new offering will carry maturity denominations of \$25, \$100 and \$1,000 as have previously been issued and will be offered for sale at \$20, \$80 and \$800.

**FAVOR CONSOLIDATION
OF MANY RAILROADS**

Philadelphia, Nov. 14.—Consolidation of the various railroad systems of the country into a relatively few large units was favored by United States Senator A. B. Cummins, of Iowa, and General W. W. Atterbury, vice president of the Pennsylvania railroad in addresses tonight before the Philadelphia forum.

Senator Cummins declared such construction was the only way to avoid government ownership, while General Atterbury said there was no question that there should be considerable consolidations, but that the problem was complicated, and "not nearly so obvious as it seems."

AGRICULTURAL SITUATION IS NOW CLEARING

**President Expresses
Gratification at Result Obtained**

LOUISVILLE, Ky., Nov. 14.—(A. P.)—President Coolidge has been gratified to learn that there is "really very little of demand for extreme, unsound and uneconomic procedures," in dealing with the present agricultural situation, he informed Robert W. Bingham, chairman of the executive committee of the national council of cooperative marketing associations in the United States in a letter made public here tonight.

The president's letter was in answer to one sent earlier in the day to the white house by Mr. Bingham in which he informed the chief executive he was direct by the committee of which he is chairman to express to President Coolidge the gratitude of the cooperative council for his support of commodity cooperative marketing in general.

"The cooperative council especially was gratified, the telegram to the president said, by the action of the chief executive in 'sending Messrs. Eugene Meyer, Jr., director of the wheat finance corporation, and Frank W. Mondell, a member of the board on the recent tour of the principal wheat growing states.

President's Views

Replying to the telegram from Bingham who is publisher of the Louisville Courier-Journal president said the message from the cooperative council "gives me particular satisfaction, because I have been concerned to have the administration program in this matter of agricultural relief and rehabilitation meet with the approval of the recognized leaders of efforts along this line. I am sure it is not necessary to say to you that the administration has had in mind the idea of accomplishing as much as possible for the early relief of a difficult present situation, while at the same time avoiding any missteps, and so far as possible, building for a permanent agriculture prosperity."

ENDORSE MELLON'S PROPOSAL FOR TAX REDUCTIONS

New York, Nov. 14.—Representatives of business and industry in twenty-four different sections of the country endorsed Secretary Mellon's proposals for tax reductions and administrative economies at the closing session of the national industrial council's semi-annual meeting today. Proper congressional action to back up the secretary's program was advocated.

PROTESTS PAROLE

Aurora, Ill., Nov. 14.—A resolution protesting against any action looking toward the pardon or parole of Walter Stevens, now serving a term in Joliet prison for the attempted murder of Lester Weidemer, Aurora policeman, was adopted today by the Union League club of Aurora. It was addressed to Governor Spall and mailed to Springfield tonight.

AUTOMOBILES IN ILLINOIS NUMBER NEARLY A MILLION

**Hard Road Now Open Between
Carthage and
Hamilton**

CARTHAGE, Ill., Nov. 14.—Declaring that his road program of 10,000 miles, the cost to come out of the \$100,000,000 bond issue and the balance of the \$50,000,000 appropriation, would save the 900,000 automobile owners of Illinois \$160,000,000 a year on the wear and tear of their cars, Governor Small held the close attention of an audience that filled to overflowing the large auditorium of the Methodist church here this afternoon. The occasion was the formal opening of the hard road between Carthage and Hamilton, and was attended by several thousand people from nearby towns. The governor did not arrive until 2 o'clock, and the large basket dinner which was to have been held on the court house lawn was held off until after the speech making. In the governor's party were Col. C. R. Miller, head of the department of public works and assistant Don Garrison, and Jack English, son-in-law of the executive. Frank T. Sheets started overland with the party from Springfield, but his car broke down at Beardstown and he was left behind.

Governor's Plea

Governor Small made a strong plea for the \$100,000,000 bond bill and favor d the building of roads now instead of piecemeal, as has been suggested, he said, by his opponents.

"Under this plan, he said, 'which you will vote, every dollar of the automobile license fees collected will be used to build and to maintain hard surfaced roads in our state, because our laws now provide that all money received from this source shall be deposited in the state treasury in a fund known as the road fund. Your ratification of this law will put it beyond the power of any legislature, or of any governor, or any administration, or even beyond the power of The Chicago Tribune, to divert the automobile license fees to any other purpose than that of paying off the bonds for this great road system. The only possibility that there would ever be any direct tax to pay any part of this bond issue, would be in a case people stopped using automobiles.'

RETURN OF PRINCE FREDERICK CAUSES SOME UNCERTAINTY

**France Apparently Passing
the Buck to Great
Britain**

PARIS, Nov. 14.—(A. P.)—The apparent hesitation of the British government to give its ambassador at Paris, the Marquis of Creve, definite instructions, is holding up the decision of the ambassador's council on the return of the former Crown prince to Germany. It is held in French official circles. M. Poincare, it is said, is awaiting the British decision on the subject because it was London that raised the question in the first place, and in his talks with Lord Crew, the French premier agreed to leave the initiative in this matter to the British.

M. Poincare is more anxious regarding the protection of the inter-allied mission for military control in Germany than concerning the crown prince, but announces his readiness to join with Great Britain in any action that government may propose.

When the ambassadors' council met this morning it was announced that the British ambassador had up to that time received no instructions from his government regarding Frederick William.

The suggestion has been made in diplomatic circles that the German government and the former crown prince might be persuaded that the best solution would be for Frederick William to take up his residence for a time in some neutral country other than Holland, preferably Spain.

Prince Interviewed

Oels Silesia, Nov. 14.—Former Crown Prince Frederick William is overjoyed at his return to Germany after five years of exile in Holland. He spent the morning strolling about the garden of his estate accompanied by his wife, Princess Cecilie, and later received the newspaper correspondents, to whom he made the following statement:

"I am glad to be back with my wife and children after nine years absence (that apparently including his years in the war front). I am happy to be among my fellow citizens and to be able to share with the native grave burdens of the Fatherland.

"It is my intention to devote myself to my personal estate in Oels and to help in the task of building up the Fatherland, which I have reason to believe will regain its former greatness."

His good humor seemed unbounded and he went to the garage with the chauffeurs who accompanied him from Holland, their conversation being punctuated by jokes and laughter.

John Davey of Ohio, known as
the father of tree surgery in Amer-
ica died recently. His work
will live on and there are tower-

country over, for he taught how
the life of trees can be extended.
Here in Jacksonville people
have reason for special interest

much of this city's glory is in its
wonderful shade trees.

Emphasizing the need there is
for tree care, someone recently
said:
"Protect the old trees. Plant

KILLING TO
SAVE TIME

"Cook county surely is not in
so great a hurry that it cares to
kill more than 600 persons with
automobiles in less than a year.
It is time to slow down," says
The Chicago Daily News.

Is anyone's need of haste, any-
where sufficient to justify killing
or maiming a human being? That
is a question any driver might ask
himself if he feels tempted to
drive faster than usual. Automob-
iles are sometimes in accidents
that are the "other fellow's"
fault. But an automobile driven
at a fair rate of speed instead of
an excessive rate can be control-
led in most emergencies.

Not all fast driving is caused by
the wish to save time. Often it
is the thrill of swift motion or a
reckless sense of power that im-
pels the driver to go at a danger-
ous speed. Yet what becomes of
the joy and thrill when there is
an accident that smashes the car
and injures or kills human vic-
tims?

OPPORTUNITY

In an address to young men
employed by the Rock Island Rail-
way the other day, President Gor-
man made this striking statement:

"There isn't a man among you
who has not a perfect right and
a prospect, before very long, of
sitting on the other side of this
table as one of the staff officers.
I say it because every man who
does occupy a place of this kind
on the Rock Island, at one time
or another, was lower down in
the ranks than any man who is in
this room tonight."

It was a revelation to dozens
of young fellows present who had
been thinking that promotion was
mighty slow and there was little
opportunity ahead for them.

The situation depicted is not
confined to one railroad nor to
one industry. It is not at all
uncommon in any field of Ameri-
can business life. Almost any
man, in almost any successful
business organization, may be
surprised if he runs thru the
personnel and observes how many
of those holding important, high-
salary positions have not only
risen from the ranks but have
risen to their present places with-
in the last five years.

There is no mystery about the
process of such promotion. It is,
as President Gorman reminded his
young men, mainly a matter of
"buckling down to business" and
"forgetting self in pushing along
the big work."

A celebrated American poem
represents "opportunity" as com-
ing but once to every man's door.
That is false. Opportunity is
knocking at every man's door

THE REAL FIGHT

Trees shed their leaves in
autumn to adapt themselves to
winter drought rather than to
winter cold. Trees could easily
grow a protective covering or over-
coat for their leaves. But water
freezes in cold weather and, not
enough being available for leaves,
the trees shed the leaves.

A similar shedding takes place
in tropical regions having alterna-
te wet and dry seasons.

Also, the scarcity and small
size of trees in the Far North are
due to moisture shortage rather
than low temperature.

These facts are from a lecture
by Prof. George E. Nichols, bot-
anist at Yale.

Trees have a phenomenal abil-
ity to adapt themselves to their
environment. A beech tree grow-
ing in a clearing has plenty of
light but less water than it would
have in moist woods. So it in-
creases its water-absorbing roots
and grows thicker "skin" on its
leaves to decrease the amount of
water lost by transpiration.

Now take a beech tree growing
in dense forest. It has plenty of
water, but not enough sunlight.
To overcome this difficulty, it
stretches higher, trying to rear it-
self above the other tree-tops.
Also, it makes its leaves larger,
which increases the leaf surface
exposed to the sun's light.

A million books could be writ-
ten, without any repetition, about
the ability of plant life to adapt
itself to its environment. So
with man. It is within our power
to adapt ourselves to all changing
conditions and new problems. The
wise are never discouraged. Know-
ing a solution exists, they seek
and usually find it.

THE man who keeps his shirt on
Is the fellow who is wise,
He'll get along for certain
Better far than hasty guys.
When there's any trouble brewing
He'll be safer than the wight
Who gets red of eye and stewing,
And who's spoiling for a fight.

THE man who keeps his shirt on
May, at seasons, have to scrap,
There are things you can't avert on
Some occasions; but the chap
Who, though angry, keeps his balance
And is calm throughout the fray,
Can use all his fighting talents
In the most effective way.

AND in ordinary cases
And the steady run of life,
He who keeps his temper faces
Very little storm or strife;
And I venture to assert on
Most occasions which I note,
That the man who keeps his shirt on
Seldom has to shed his coat!

week at the home of Mr. and Mrs.
James O. Adams.

Mr. and Mrs. Noel Wiley of
Alexander, and Mrs. Ella Moates
and son of Springfield were re-
cent guests at the home of Mr.
and Mrs. Robert Smith.

CHAPIN

Mrs. Grover Smith was hostess
to the Chapin Woman's club
Tuesday afternoon. Sickness and
the rainy afternoon prevented a
number from attending. The
roll call was Christmas Gift Ideas
and many helpful suggestions
were presented. Instead of the
regular program which could not
be carried out the program was
supplied by Miss Amy Unken who
read "Schools and Schools" by O.
Henry and gave two vocal selec-
tions: "Mahlindy Lou," (Lily
Sheckland), "A Memory," (Eu-
dolph Gauz), which were very
much enjoyed by the club. Dur-
ing the social hour delicious re-
freshments were served by the
hostess. Guests were Mrs. Earl
Fox, Mrs. Kathryn Thompson and
Miss Francis Brooks.

RIDER INJURED WHEN
PINNED UNDER HORSE

Alexander Man Hurt When An-
imal Slips and Falls on Hard
Road—Many Attend Banquet

Alexander, Nov. 14.—Frank
Foster, residing north of here,
was badly bruised and shaken up
Tuesday evening when a horse
which he was riding slipped and
fell on the hard road east of the
place. Mr. Foster was pinned be-
neath the horse and suffered a
number of severe bruises. He was
taken to a hospital in Jackson-
ville, where X-ray pictures showed
no apparent internal injuries. It
is believed he is not seriously
hurt.

The first number of a winter
series of lyceum entertainments
will be given here next Tuesday
evening.

Dr. C. E. Scott of Jacksonville
was here on professional business
today.

Among out of town people who
attended the banquet of the
Farmers' Grain Co., here Tuesday
evening were: Paul Scott of Ar-
nold, E. J. Erickson and daugh-
ter, Harriet, Miss Marguerite Cor-
rington of Jacksonville, Mr. and
Mrs. George Ruble of Lewiston,
Charles Adkins and son of Deca-
tur, and W. J. Cockin and M. E.
Greenleaf of Jacksonville.

ARREST NEGRO FOR
THREATS TO KILL

Louis Mack was arrested by
deputy sheriffs yesterday after-
noon on a warrant sworn out by
Eugene Watkins, charging him
with threatening to kill and
brandishing a knife. Both men
are colored. The altercation be-
tween the two is said to have
taken place last Saturday near
the Montgomery barber shop on
East Court street.

Mack will be arraigned this
morning before Justice Bayha,
and will probably be placed under
a peace bond. He spent the night
in the county jail. No details as
to reasons for the actions of Mack
were given.

William Devine, a stranger in
the county, was arrested at Con-
cord Tuesday evening by Deputy
Edgar Jones, and will later face
a charge of possession of liquor.
He appeared to be intoxicated and
was found with about half a pint
of whisky on his person. He is
now in the county jail.

Special Services at
Central Christian Church

A large attendance greeted
Evangelist Peters at the Central
Christian Church last evening.
Mrs. Albert Mertz of Warren-
burg captivated the audience in
rendering the beautiful solo,
"Love Never Fulleth." In re-
sponse to the invitation seven
went forward. The subject for
this evening will be "The Joy of
Christ."

The subject of the sermon
last night was, "How to In-
crease our Faith."

"The petition of the Disciples
in the days of Jesus is the same
petition of the church today.
"Increase our faith."

The Evangelist pointed out
four ways in which faith in
Christianity may be increased.
By learning what it is; by study-
ing what it does; by doing what
it commands; by believing what
it says.

"Christianity is not a correct
creed; nor a system of church
government; nor a speculative
philosophy of life; nor a code of
morality. It is the redemptive
life of Christ; revealed in the
New Testament and confirmed
by Christian experience.

"It cares for the body; im-
proves the mind; purifies the
soul and vitalizes society.
These are the fundamental con-
tributions it makes to our
world."

"It commands faith; it com-
mands repentance; it commands
baptism; it commands trust; it
commands worship; and it com-
mands work. These are the
first principles of the Gospel.
A faithful continuance in well
doing completes its demands.

"It promises to save the in-
dividual from sin; to redeem
society from corruption and in-
justice, and to give a home in
heaven to the faithful.

"Yes, we can increase our
faith in Christianity by learning
studying, doing and believing.
Our faith must be made perfect
in works."

GROCERY DAMAGED
BY FIRE YESTERDAY

An early morning blaze Wednes-
day did considerable damage to
the L. A. Barnhardt grocery store
at the corner of College and
Prairie streets. Firemen were
called to the store about 3:30
o'clock when flames were seen
curling up the east side of the
building. Quick work of the
firemen extinguished the blaze
before too serious damage had
been done.

Labels on canned goods were
blackened by heat, and other
goods were damaged to some ex-
tent. Damage to the building
will amount to several hundred
dollars. The fire was of unknown
origin, starting at the northeast
corner of the store, several feet
from the stove.

INQUIRE INTO DEATH
OF ALBERT BIRDSSELL

Jury Reaches Verdict of Death
by Accidental Electrocution—
Man Touched High Tension
Wire.

"Albert Birdsell came to his
death from electric shock, by
coming in contact with a live
wire, the property of the Illinois
Power & Light Corporation,
while working for the Illinois
Telephone Co. as lineman."

This was the verdict reached
last night in the coroner's in-
quest into the electrocution of
Albert Birdsell here Tuesday
morning. Testimony at the in-
quest was given by Alfred Cow-
din, who was working with Bird-
sell at the time of the accident;

J. H. Dial, manager of the Illinois
Telephone Co., and Dr. Carl E.
Black, who was called to attend
Birdsell after the accident.

Cowdin stated that he saw
Birdsell's hand in contact with
the high tension wire and saw
him fall to the roof of the small
building where he died. Mr.
Dial testified that the law re-
quired certain regulations to be
met when power and telephone
wires were carried on the same
pole. The workmen were remov-
ing from the pole some wires
formerly used by the Bell Tele-
phone Co., which were no longer
in use. The power wires were
above the phone lines on the pole.

The Bell wires were being re-
moved, in accordance with the
legal requirements.

It is understood that the high
tension wires which furnish cur-
rent to Concord and Arenzville
take the route thru Broadway
Alley, and it may have been one
of these wires with which Bird-
sell came in contact.

The jury of inquest impaneled
by Coroner Rose consisted of C.
L. Mathis, foreman; J. H. Jack-
son, P. G. Stein, B. N. Lacey, E.
E. Mason, and F. W. Brockhouse,
clerk.

Child-birth

WHEN the Little One arrives, you can have that moment more free from suffering than you

have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend," Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and then a nurse and then they had to use instruments, but with my last two children I used 'Mother's Friend' and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., B.A. 75, Atlanta, for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—a bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 30c.

SUNSET

(By Jimmie Heron)

Sunset—God's closing of the day, illumined in colorful array More brilliant than the power of pen.

More swish of brush than hands of men can say

It glows and fades to rest, God's promise written in the west.

And I've seen the dawn in many lands

From mountain peaks and silver sands

O'er ocean blue and forests bleak I've watched the day begin to streak;

But when Old Sol is creeping west It seems to me I like it best.

When the busy life of day is past A shimmering o'er the earth is past

The yellow rays of brilliant light More crimson, golden in the flight They glow and fade to lighter hue

As sinks his majesty from view. No grander sight can human seek Than sunset view from Old Pike's Peak

Surrounding crags lit up with flame The shadows flit as in a game

Along the jagged crest they flight As silence deepens into night.

At great Salt Lake where Mormons rule The sun sets in a blazing pool

The crimson orb plunged from the sky Then kissing rippling waves goodnight

It gradually sinks from our sight. While speeding at the close of day Along Columbia's highway

Or thru the fruit land among the hills, Mt. Hood, Ranier, or Adam's thrill

Us all with wonder and delight As sunset paints their peaks more bright.

I've seen the sunset on the plains I've seen the sunset after rains

I've seen the sunset many times I've seen it set in many climes

But here in Illinois of late I've seen it set in regal state.

As if the Master Artist took The rainbow from its heavenly nook

Resting in either hand each end He crushed it all in perfect blend

Then sprayed it o'er the evening sky A heavenly feast for human eye.

God so loved the world, who can doubt, That sunset puts the distrust to rout

For as the sunsets over there, It rises up some other where— Life does not end with mortal clay, God promises another day.

WILL REORGANIZE MOVIE INDUSTRY

HOLLYWOOD, Calif., Nov. 14.—(A.P.)—Salaries of leading or featured motion picture players who are not under contract that have sky-rocketed in the past two years from a range between \$100 and \$1,200 a week to from \$1,000 to \$3,500 a week, present one of the stiffest problems in the current reorganization of the industry on a firm business basis, according to heads of production here.

Executives of the film world today are boiling down their cost sheets. The entire business is in the throes of readjustment, they assert.

It is described as the second phase in the revolution of the industry that commenced under the advisory direction of Will H. Hays. The first chapter opened two years ago, the clean-up of the screen for producing more wholesome plays. Now comes the economic mopping up in the upward progress of the films.

Costs of a playing cast for a standard feature production soared from a few thousand dollars to \$60,000, the figures for a recent picture. The entire cost of a feature is said to average \$100,000 to \$175,000.

We had the pleasure on Sunday morning of attending a very interesting school at Grace Chapel, Chester Brainer, Supt.

Mr. and Mrs. Bert Davison, of Peoria Boulevard, entertained Mr. and Mrs. Edward Deaton and children, Robert and Betty Baxter, of Strawn's Crossing on Sunday, during the afternoon. Mrs. Deaton, Mrs. Davison and Betty Baxter called at Sunshine Cottage.

Rev. Wm. Johnson preached at the Baptist church Sunday morning and evening.

We are under obligations to Mrs. Hannah Brainer for some very fine apple butter which she brought to our office Tuesday.

Charles Mullens moved his family and household goods to Jacksonville Wednesday.

Newell Brainer, wife and little son Carl, also Mrs. Brainer Senior were driving their car on our streets last Wednesday.

The Mission Circle and Golden Rule Class extend thanks to all who assisted them in serving lunch at the polls on last Tuesday.

Earnest Little and family of Beardstown, drove to Literberry Sunday and spent the day with Mrs. Nettie Scribner.

COOK CASE MAY REST SHORTLY

Fort Worth Texas, Nov. 14.—The defendants in the Dr. Frederick A. Cook case, now on trial in federal court for alleged misuse of the mails, may rest shortly. Joseph Weldon Bailey, senior counsel for Dr. Cook, expressed a desire to rest Wednesday morning, but attorneys representing the other defendants would not agree. As a result Bailey said evidence would be presented until all defendants were satisfied, but that it would be made as short as possible.

MOTHERS, DO THIS—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt relief. It does not blister.

As first aid, Musterole is excellent. Thousands of mothers know it. You should keep a jar ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of neck or joints, sprains, sore muscles, chilblains, frosted feet and colds of the chest (it may prevent pneumonia).

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole.

LARGE PIMPLES ALL OVER FACE

Red, Very Hard and Sore. Eruptions Caused Disfigurement. Cuticura Heals.

"My face was broken out with large pimples that were red and very hard. They were scattered all over my face and were very sore at times, which caused me to scratch them. The scratching caused sore eruptions which very badly disfigured my face. I sent for a free sample of Cuticura Soap and Ointment. I purchased more, and after using two cakes of Cuticura Soap and one box of Cuticura Ointment I was healed." (Signed) Mrs. L. H. Smith, 1301 Thornton Ave., Parsons, Kans., July 12, 1922.

Make Cuticura Soap, Ointment and Talcum your every-day toilet preparations and watch your skin improve.

Sample Free by Mail. Address: "Cuticura Laboratories, Dept. B, Malden 26, Mass." Sold everywhere. Keep the Ointment 25 and 50c. Talcum 50c. Cuticura Soap 25c without mug.

Eight states have joined in the fight for lower freight rates on grain, grain products and hay.

SAYS COLORADO OVER 3000 YEARS OLD

DURANGO, Colo. (A. P.)—A race ante-dating the Christian era by 1,000 years inhabited the Southwest, is the statement made here recently by Jesse Nusbaum, superintendent of the Mesa Verde national park, Colorado, after the uncovering of a house said to have been inhabited by a people long before the cliff dwellers arrived in the section now known as the Mesa Verde National Park.

The Nusbaum discovery was made about eight feet beneath the floor, or foundation, of a cliff dwelling and in the same cavern, located about a mile south of the Spruce Tree house in the park. The tribe, according to Nusbaum, and other members of the party unearthed the house, belonged to what are known as the "basket-makers," and their presence here was established beyond a doubt by the class of pottery discovered in the house, it was said.

This pottery, Nusbaum asserts, is easily identified as of a period at least 1,000 years before Christ, and other evidence was found to justify the statement that this region was inhabited by humans long before the cliff dwellers arrived. The pottery is of a crude clay, tempered with cedar bark, a process used by the earliest ancients. It has a adobe color with a slight pinkish cast.

Chicago, Nov. 14.—Major Reed Landis, American ace in the World war, and son of Judge K. M. Landis may become a candidate for lieutenant governor of Illinois, the Chicago Tribune says today. If Major Landis should get into the race, the story goes, he probably would be the running mate of State Senator T. G. Eschington, who is opposing Governor Small for the gubernatorial nomination.

MILK BOTTLE DID NOT FOOL POLICE

CHICAGO, Nov. 14.—A milk bottle painted white did not deceive Policeman Edward C. Post, he testified today at the trial of Mrs. Mary Grygol on a charge of violating the prohibition law.

Post said that he entered Mrs. Grygol's home and found a man drinking from what was apparently a bottle of milk. But the odor of the bottle belied its appearance he said, and picking it up he found that it had been painted to make moonshine look like milk.

Judge Joseph Burke fined Mrs. Grygol \$100.

BRIEFS

(By the Associated Press)

Amboy, Ill., Nov. 14.—Milford Leggett, 12 year old son of Charles Leggett living near here, died today from injuries he received last evening when a horse he was riding to drive cattle along the highway fell over a cow which had turned and charged at it. The boy was pinned beneath the horse, being internally crushed and suffering a fractured skull.

Plymouth, Ind., Nov. 14.—The body of an unidentified man about 25, at first thought to be that of Russell Lawrence who disappeared last week was buried today after hope of establishing his identity had been abandoned. He was believed to have been murdered.

Investigators said they practically had abandoned the theory that Lawrence had been murdered. They believe he may have wandered away from the truck he was driving.

Urbana, Ill., Nov. 14.—A play by report of next Saturday's game at Urbana between the Mississippi A. & M. college and the University of Illinois, will be broadcast from station WRM at the university, Josef Wright, director of publicity announced today. The game length will be 360 meters, and the game will start at 2 p. m.

Bloomington, Ill., Nov. 14.—"The American Legion will continue to insist upon the passage in the next congress of the federal bonus bill as advocated and endorsed by the national convention at San Francisco and all previous meetings including the one at Danville" was the statement here today of Col. J. J. Bullington, state commander at headquarters here.

Jefferson City, Mo., Nov. 14.—Gov. A. M. Hyde in a statement made today declared he would not call a special session of the legislature to provide more money to complete the Missouri road system. He said inasmuch as the legislature road committee yesterday did not draft a bill embodying a definite road program which he would recommend, he could not call a special session until they do so.

Springfield, Nov. 14.—Bids on 4,000,000 barrels of cement to be used during 1924 on state bond issue roads, will be received by the department of public works, division of highways, November 26, according to an announcement made today by Frank L. Sheets, superintendent of highways. The amount of cement used will be approximately the same as was used in 1923, Mr. Sheets said.

Springfield, Ill., Nov. 14.—President Frank Farrington of the Illinois Mine Workers will be operated upon at Rochester, Minn., next week, probably Tuesday, it was learned at his home here today. He is suffering from gall stones.

Boston, Nov. 14.—J. B. Marcano, of Chicago, who rose from barber to banker and became involved in many financial difficulties, was sentenced to four years and three months in prison by Federal Judge Morton today. He had pleaded guilty to an indictment for aiding and abetting in misapplication of \$200,000 of the funds of the First National bank of Warren, Mass.

LAWRENCE, KAN. GETS QUANTRELL'S FLAG

EL PASO, Texas (AP)—The flag said to be that which William Clark Quantrell, guerilla chief of the "Civil War" period, carried during many of his raids has been preserved and is in possession of S. H. Sutherland of El Paso.

During the Quantrell excursions, according to the story related by Sutherland, who now is 65 years of age, the flag was carried by Jack Swartz. Swartz is said to have died at Las Cruces, N. M., 25 years ago and to have expressed the desire that the flag be buried with him. The wish was not granted, however, and Sutherland claims to have obtained it.

The emblem, according to Sutherland, was carried in the raid on Lawrence, Kansas, on the morning of August 3, 1863, when 110 persons were killed.

Quantrell, according to Sutherland, was a school teacher in Lawrence before the Civil War. He took up the cause of the Confederacy and organized his guerilla band when the war began. His record shows Quantrell was shot in a running fight with farmers and died in a military prison at Louisville, Ky., June 6, 1865.

Sutherland says he intends to give the flag to the City of Lawrence.

STRIKING STUDENTS RETURN TO BOOKS

KEOKUK, IOWA, Nov. 14.—(A. P.)—The classics have triumphed over the call of the open road and sixteen Fort Madison high school students who organized a strike and convinced themselves that a trip to Burlington and points east of West would be more broadening, returned to their studies today.

Abandoning their school work they went to Keokuk where the revolt assumed the aspect of an international when they called into conference a group of Keokuk high school students to discuss a concerted heira from culture.

But the Keokuk youths refused to concur in the program of the pilgrims. The Fort Madison rebels were forced to go back home and find the principal waiting with an extra hour a day of school for the next month.

OLD ROOSEVELT HOME FILLED WITH RELICS

Restored Birthplace of Former President Contains Hundreds of Mementoes Including Stuffed Lion.

New York—(A. P.)—A huge stuffed lion, bagged in one of his hunting expeditions, a frying pan a cartoon by Tom Nast, are only three diversified articles of the hundreds of Januscripts, pictures and mementoes of all sorts which have gravitated to Roosevelt House, the restored birthplace of Theodore Roosevelt at No. 28 East 20th Street Manhattan. The house is to be dedicated October 27.

A set of scrapbooks giving the career of Mr. Roosevelt, as told from day to day in the press, is one of the notable additions to be received by the Roosevelt Association during the last year. This set of books was started by the President's father, continued by himself, and concluded by members of his family. In it are some passages in Roosevelt's own handwriting, as well as a number of letters he wrote while at Harvard.

Supplementing the original cartoon of Theodore Roosevelt drawn by Nast for Harper's Weekly in 1882 and later presented by the famous exposé of the "Tweed Ring" to the President, are many other cartoons from foreign and American pens graphically recording Roosevelt's colorful career.

Dwight Franklin's miniature plastic group of Roosevelt, his son Ker, Jr., and an eagle hunting in South Africa is a unique addition to the collection. The figures in this group are six inches high and have been colored and set in a miniature stage. The group is strikingly realistic.

The cradle in which one of the outstanding figures of history was rocked, an his last public message also have been incorporated in the collection. Mrs. Theodore Roosevelt, Jr., wife of the present Assistant Secretary of the Navy, presented the cradle. The message, a letter to Richard M. Hurd, was donated by its recipient.

Six hundred bound volumes of back numbers of the New York Herald Times and World covering an important stage of Mr. Roosevelt's life, were presented by Frank A. Munsey, publisher of the Herald. A costly riding outfit, the gift of the Brazilian government at the time of the Colonel's River of Doubt expedition is there.

And reposing with manuscripts of articles which appeared in the Outlook is the frying pan the man with the "Big Stick" used 40 years ago when he and W. W. (Bill) Sewall, guide, hunted in Maine.

RUHR CONFERENCE ON FACTORIES BREAKS DOWN

Dusseldorf, Nov. 14.—(A. P.)—The negotiations between the Ruhr industrial leaders and the inter-allied mission for control of factories and mines have broken down, the Germans having failed to accept three of the 21 clauses in the draft agreement.

The communique announcing the closing of the negotiations makes no mention of the nature of the articles in question, but says that 18 were questioned and these were purely technical. The German delegates were asked for a definite answer respecting the remaining three by 6 tonight. Eventually they accepted one of them, but said they must consult their government about the second, and they refrained from referring to the third.

As the negotiations had lasted four weeks, the communique adds, and the disputed articles have been known to the German delegates since November 5, the allied authorities considered prolongation of the discussion for an arrangements useless, as they regarded the text as definite. Therefore they decided that the negotiations must be considered closed.

SOCIAL EVENTS

Passavant Hospital Aid.

The Ladies' Aid Society of Passavant Hospital announce a rummage sale, to be held all day next Saturday in the Scott Block on West State Street, directly east of the gift campaign store room. All those who have discarded garments, which they are willing to contribute to the rummage sale are requested to bring them to this room next Friday afternoon.

Bridge Party

Yesterday Mrs. Lee Davis of South Kosciusko street entertained members of her bridge club yesterday afternoon, an out of town guest being Miss Anita Metcalf of Greenfield, who is a guest at the Davis home. The afternoon was very pleasantly spent and dainty refreshments were served by the hostess.

Social Affair at Struck Home.

A weiner and marshmallow roast was given Tuesday evening by Miss Margaret Struck at her home on North Prairie street. There were various games during the evening and the affair proved very enjoyable for all present. The guest list included the following:

Misses Phoebe Boddy, Mardella Killiam, Helen Elbert, Louis Wentler, Mildred Ransom, Wilma Rayle, Margaret Struck, Lucille Riggs and Grace Boddy and the Messrs. Harry Killiam, William Kitner, Michael Sims and Theodore Yeak.

Science Club Met.

A regular meeting of the Science club of Illinois College was held Tuesday evening at the home of Miss Smith on West College avenue. The meeting was presided over by Otis Smith and during the business session Lew Cummings was elected vice president. Miss Glenna Smith read Bryan's article on Evolution and Osborne. After a general discussion of the subject came a social hour and refreshments.

Camp Fire Girls Plan Supper.

The Galapka Camp Fire Girls

will have a supper at the Pilgrim Memorial Friday evening at six o'clock. A group of four girls will prepare the supper, and the members are contributing the money for the provisions. The four young cooks are working to win honor beads preparatory to becoming wood gatherers in the Camp Fire Order.

Centenary M. E. Church.

The ladies of the Centenary M. E. church held an all day meeting at Passavant Hospital yesterday. Since it was Passavant Hospital Donation Day, all the members brought at this time their donations for that institution and the result was very satisfactory. The day was spent in sewing for the benefit of the hospital. In the afternoon there was a most enjoyable social meeting during which time Mrs. R. W. Dodsworth, Mrs. Martin, Mrs. Kastrop and Mrs. Naomi Wharton were hostesses to the society.

Wednesday Class Met.

Mrs. Walter Ayers entertained the members of the Wednesday Class yesterday afternoon at her home on West State Street.

Following the regular business meeting there was a very interesting program, the most important feature of which was the reading of Barrie's play, "Dear Brutus," by Miss Marie Fairbank.

The afternoon was concluded by a very pleasant social hour.

Pleasant Hour Club.

The members of the Pleasant Hour Club met yesterday afternoon at the home of Mrs. G. W. Sargent on South East Street.

The program for the meeting included a number of very excellent musical selections. Guests who were not members of the club were Mrs. Sid Armstrong and Miss Nellie Self.

Mrs. Sargent was assisted in entertaining at the social hour, which followed, by Miss Gladys Newton.

High School Dramatic Club.

The members of the High School Dramatic club met Tuesday evening in the High School building.

This club, under the directorship of Miss Gorman, is making rapid strides toward success and fame. The program for this evening included the following numbers: A solo by Elizabeth Goodale; A Review of Plays by George Metcalf; and a Reading by Helen Kirby.

State Street

Missionary Society.

The Woman's Missionary society of State street Presbyterian church met Tuesday afternoon in the church parlors. Mrs. Carrell was leader of the devotional exercises. A program on "Siam" was in charge of Mrs. Marbach, Mrs. Carl Gordon, Miss Violet Davis and Mrs. Vaughn. Mrs. Stroth of Chicago, the Synodical Missionary president was present and made a very instructive address. Mrs. Charles Hackett was hostess and assisted by Mrs. Chapin, Mrs. Marshall and Mrs. Wardaugh served refreshments.

Gave Tea at I. W. C.

A tea was given at Illinois Woman's college Wednesday afternoon by Mrs. Mark Hunt and Miss Wackerle, in honor of Miss

Carrie Mackness who is to be a November bride, and Mrs. Russell Rodaway of Winchester. The decorations and all the other appointments made the event one of unusual social pleasure.

Grace Church Pastor's Aid Meeting.

At the business session which was held in the afternoon plans were made for the annual turkey supper which will be served in connection with the bazaar on Dec. 6. Mrs. George E. Baxter and Mrs. W. B. Rogers are to have charge of the kitchen on that occasion and Mrs. Paul Samuelli, Miss Esther Davis and Miss Mary Wadsworth of the dining room. Mrs. H. D. Atkins will be chairman of the ticket committee.

Plans were also made for the supper to be served the Morgan County Federated church club on Monday evening, Nov. 19. Mrs. J. R. Davis and Mrs. S. W. Black were appointed to arrange for a rummage sale to be held in the near future.

Various other matters of business were disposed of, after which the society adjourned until the second Wednesday in December.

Birthday Party.

A most enjoyable birthday party was given at the home of Mr. and Mrs. M. Stewart, of Mound Road, Tuesday evening in honor of their son John, who celebrated his 21st birthday.

The young folks present were his B. Y. P. U. friends of the First Baptist church. During the evening music was enjoyed from the piano, radio and phonograph. His sister Ethel planned and took charge of a large number of interesting stunts and games. Delicious refreshments were served carrying out a pink and white color scheme. A beautiful birthday cake with lighted candles ornamented the center of the room.

Many unique and useful presents were received and many congratulations given.

Those present were: Mary Nevins, Ruth Fuller, Alene Rajohns, Helen Dumas, Jessie Bryant, Esther Dumas, Eleanor Ludwig, Mr. and Mrs. Henry Mason, Gail Jackson, Clarence Wilson, Homer Wilson, John Stewart, Clair Wilson, Howard Browning, Darrell Wilson and the Stewart family.

Gave Party for Miss Lawless.

Mrs. Frank Reid and Miss Mabel Reid were the hostesses at a dancing party given at their home, 907 West State street Wednesday night. The event was given in honor of Miss Catherine Lawless.

Excellent music was furnished and the refreshments were in accordance with the other generous details for the party. Added pleasure was given the guests by several solos sung by Miss Beulah Tull.

The company included Misses Teresa Longman, Mame Kelly, Margaret Kelly, Heister Doyle, Catherine Reid, Agnes Flood, Margaret Sheehan, Lena Carter, Nell Price, Beulah Tice, Lillian Wheeler, Gertrude Curtis, Beulah Tull, Beulah Ryman; Frank Sullivan, Allen Kelly, Frank Kelly, Merle Abernathy, H. O. White, Paul Hughett, Byron Edwards, Everett Surratt.

STRAWN'S CROSSING CLUB IN MEETING.

The Strawn's Crossing club held a meeting Tuesday afternoon with Mrs. Edward Phillips with a goodly attendance of members and guests. The president being absent, the vice president, Mrs. Bozzart presided. A report of the tuberculosis meeting last month was given by Mrs. A. D. Arnold and Mrs. Frank Green gave a report of the federation meeting in Roodhouse some time since.

An interesting paper was given by Mrs. Henry Strawn on the life of Helen Gould. The meeting came to a close with the roll call and was followed by a social hour, during which the hostess served dainty refreshments. The next meeting will be held on November 27 with Mrs. Frank Green. The guests of the afternoon were Miss Emma Robinson of Buda, Ill., Mrs. Newberry, of Kansas; Mrs. Amos Coker, Mrs. Stephen Dunlap and daughter, Miss Ruth. Mrs. S. L. Fox, Mrs. Harry Thompson, Miss Moy.

UNION AGENT DIES FROM WOUNDS.

Chicago, Nov. 14.—Martin Devries, business agent of the Bakery Drivers' union, died today of wounds suffered last night when he was shot at the headquarters of the union.

Patrick Sullivan, a member of the teamsters' union, admitted to the police that he had fired the shots which fatally injured Devries. He said that he fired self defense after Devries attempted to attack him with a chair when he went to collect a debt which he said the business agent had incurred in a dice game.

The following orders were made in court today:

DR. REINHARDT TO VISIT CITY TODAY

Prominent Educator Will Make Address This Afternoon—Under Auspices of A. A. U. W.

Jacksonville will be honored by the presence of Dr. Amelia H. Reinhardt, president of Mills college, Calif. Dr. Reinhardt, who ranks easily as one of the foremost women of the United States, is the president of the American Association of University Women and comes to Jacksonville under the auspices of the local branch of the organization. Her address will be delivered at 3 o'clock in Academy hall and is open to the public. Tickets for non-members of the A. A. U. W. being obtainable at a nominal price.

Recently Dr. Reinhardt attended a meeting of the A. A. U. W. board in Washington, D. C., and from the national capital went to St. Louis for the inaugural of Chancellor Herbert Hadley of Washington university.

Dr. Reinhardt was the only woman speaker on the inaugural program. In St. Louis during recent days the distinguished visitor has made several addresses and has been the guest of honor at a number of important social functions.

A St. Louis paper in referring to Dr. Reinhardt's visit to that city said:

"Dr. Reinhardt is one of the foremost women of the country and recently has been made much of in the East. In California she has been active in politics, in both state and local affairs, in educational matters particularly where interest the League of Women Voters."

A very informing picture map of the school buildings in Morgan county is now being compiled by County Superintendent of Schools H. H. Vasconcellos and his assistant, W. B. Lowery. The huge map when completed will have a place on the south wall of Mr. Vasconcellos' office and will show pictures of every school building in the county.

For months past as Mr. Vasconcellos has visited the schools he has used his camera and most of the pictures have been taken and are now ready to be attached to the map. The background map will conform to the outlines of Morgan county and the school house pictures will be shown in the townships where they are located.

The purpose of this extensive work is to show the physical condition of the school property of the county. After the map is completed when directors call to discuss property details the subject will be more clearly understood by the use of the map.

Mr. Vasconcellos has the further purpose of bringing about improvements in certain school districts where such a program is needed. Mr. Vasconcellos said yesterday that the teaching force of Morgan county is showing very satisfactory work and ranks well with other counties.

There are many school buildings which meet standard requirements and notable improvements have been made in recent years. However, there are still some schools with physical equipment far from equaling the present day needs.

MARRIED IN PRETTY HOME CEREMONIAL

Miss Reon Hamilton is Bride of Rev. Herman Gore, Evangelist—Will Live in Chicago

The marriage of Miss Reon R. Hamilton and Rev. Herman Gore of Chicago was solemnized at 8 o'clock Wednesday evening at the home of the bride's parents, Mr. and Mrs. Samuel Harris, 408 Marion street. The impressive service was performed by Rev. Henry W. Snowden, pastor of Mt. Emory Baptist church, with a limited company of friends and relatives present.

The other members of the wedding party were Miss Bernice Scruggs of Jefferson City, Mo., and Mr. and Mrs. William Douglas of Jacksonville. The ring service was used and at the conclusion of the ceremony those in the company extended their hearty congratulations.

A wedding supper was served in the dining room which had been prettily decorated for the occasion. Flowers were also used in the other rooms of the home.

Mrs. Gore is a graduate of Jacksonville high school in the class of 1922 and made an excellent record. She has unusual ability in art and served as art editor of the Crimson J. She is a member of Mt. Emory Baptist church and has been active in various lines of church work. In every way she is fitted to be a co-worker with her husband, who has been so unusually successful in evangelistic work.

Rev. Mr. Gore, whose home was originally Ohio, preached his first sermon in 1918 in Summers county, West Virginia. Although a

boy in years he has conducted evangelistic services in many cities and the converts at his meetings are thousands in number.

It was during the special services Rev. Mr. Gore conducted at Mt. Emory church last year that the attachment began which resulted in last night's marriage ceremony.

Rev. Mr. and Mrs. Gore are to live in a home recently purchased at 4409 Calumet avenue, Chicago.

RUNGY ENCAMPMENT PREPARED FOR INITIATION

A class of candidates will receive the Royal Purple degree at Ridgely encampment Friday night Nov. 16. A number of members of the Patriarch Militant branch of the order of Springfield will be present and take part in the work. At this time arrangements will be made for a large class initiation to be held some time in December. Patriarchs from many surrounding lodges will be present.

After the lodge work an oyster supper will be served by a committee which includes Charles Goodey, Clarence Meyer and Herman Opperman.

THE ILLINOIS Telephone Company

Sometimes, when a number is asked for on the telephone, the operator reports that the number called does not answer.

Experience shows the operator is seldom mistaken. In the majority of cases the person called is absent or not near enough to hear the telephone bell. Sometimes he is just slow in answering.

"Don't answer" reports would be greatly reduced if subscribers would be prompt in answering when their bells ring.

JURY FAILS TO AWARD MRS. GRAHAM DAMAGES

Verdict Favors J. B. Cooper in
Breach of Promise Suit—Find-
ing Made Wednesday

"We the jury find the issue for the defendant," was the verdict rendered in the circuit court yesterday afternoon in the breach of promise suit of Hattie C. Graham against James B. Cooper, in which the plaintiff sought damages to the amount of \$25,000. The jury deliberated on the case about three hours before bringing in the verdict.

The case, which was continued from Tuesday, was given to the jury for their verdict yesterday afternoon at 12:10 o'clock. In the closing arguments for the plaintiff, J. A. Bellatti reviewed the evidence before the jury. With reference to the letters which were used as evidence in the case, Mr. Bellatti denied that the letters in possession of the plaintiff had been altered. "J. B. Cooper didn't recognize his own signature here in court and yet he contradicts Mrs. Graham when she says she didn't write certain letters," was Mr. Bellatti's statement to the jury. He called the jury's attention to H. C. Clement's testimony in which Mr. Clement said that the signature on the letters was not the one used by Mr. Cooper in signing checks, as failing to prove the letters were not written by the defendant. Why, he asked the jury, did Cooper write the letters if there were no terms of affection in them?

Walter W. Wright made the opening statements in closing the argument for the defense, by attacking the integrity of Mrs. Graham's statements on the witness stand. He contended that Cooper was in Tennessee when the plaintiff stated he became engaged to her in Illinois. He asked the jury to examine the letters closely and he stated he believed they would find nothing outside of the erasures that any man wouldn't write to any woman friend.

William N. Hairgrove took up the case for the defense, contending that Mrs. Graham testified that the engagement took place in December, 1919 after her divorce in Nov. 1919 and that on the following September Mr. Cooper refused to carry out his promise, the declaration in the case he said set forth that they became engaged in January, 1920 and thereafter in January, 1921 he wholly refused and declined to marry the plaintiff. Mr. Hairgrove also declared that the evidence showed that Mrs. Graham did not care for the defendant but simply wanted his farm.

Walter Bellatti concluded the argument by attacking the counsel with reference to the complainant. He contended that the differences which it is alleged existed in certain letters written by Cooper were made by the breaking of one pencil and the subsequent use of another after this.

FRANKLIN DOMESTIC SCIENCE CLUB MEETS

The members of the Franklin Domestic Science Club held a very interesting meeting Tuesday afternoon at the home of their president, Mrs. M. D. Henderson. Twenty-four members answered to roll call. "Famous American Churches,"

The program opened with two Victrola selections, "When they ring those golden bells for you and me" and "The Little Brown Church in the Wildwood." Mrs. H. A. Sherman presented a paper on "Great Preachers and Evangelists of Today," and Mrs. William Douglass had as her theme "The Story of Gold." Mrs. Fred Burch was taken in as a new member. Mrs. Frank Reigel was a guest of the club at this meeting. Following the program came a social hour and refreshments were served by the hostess. The next meeting will be held on Nov. 27 with Mrs. Nellie Oxley.

HIGH SCHOOL TO HAVE ORCHESTRA SOON

A movement is now underway for the formation of an orchestra at the Jacksonville high school. Tryouts are now in progress at the school and a number of members of the school band are seeking places in the new musical organization. The orchestra is being organized by Miss Broadstone of the faculty, and will include violins, drums and wind instruments.

QUESTIONS FOR CITIZENS

Many magazines are running a series of questions on various subjects to test the knowledge of the individual on some particular line. The following list of questions might be an Edison's way of ascertaining if one is a good Jacksonville citizen. If one can answer all twenty questions without having to investigate or hesitate he might be considered, according to the popular code, a good citizen. It is at least interesting to test oneself and see how well he knows his home town from a Recreational and Social Hygienic standpoint. Other questions compiled with a view of knowing one's town from a financial, educational, religious or social viewpoint are also obtainable.

Know Your Town

1 How many parks and playgrounds have you? Are they located near congested areas?

2 Are the parks adequately policed and lighted?

3 Are they provided with recreational facilities, as swimming, boating, public baths, tennis, skating?

4 If you have public baths, are they properly supervised and kept clean?

5 How are the playgrounds supervised? Are they open all the year? Are they properly equipped?

6 Is there a plain to secure sites for additional playgrounds for future development?

7 Is there a modern library? Does it give specialized service to children and to adults employed by day?

8 Are school buildings used for play places and community centers?

9 What is the Board of Education doing to stimulate interest in recreation?

10 What private organizations are doing anything to encourage recreation? (Churches, Settlements, Y. M. C. A., Y. W. C. A., Women's Clubs, Fraternal Societies, Chambers of Commerce.)

11 Have any of the following agencies been organized in your town?—Boy Scouts, Girl Scouts, Campfire Girls, Boys' Clubs.

12 Is there any community effort to provide other wholesome forms of public recreation, as festivals, concerts, pageants?

13 What kinds of commercial amusements has your town?

14 What are the undesirable features of those amusements?

15 What is the general class of pictures shown in the moving picture theatres?

16 What is the type of plays in the other theatres? Are theatres properly lighted? Are they adequately inspected and protected from fire?

17 Are public dances chaperoned by parents? By officials?

18 Below what age are boys excluded from pool rooms?

19 Are there any agencies combating unwholesome commercial amusements?

20 Are there adequate rest rooms and comfort stations? Are they clean and sanitary? Are they properly supervised?

GRACE WOOD JESS TO GIVE RECITAL HERE

The many Jacksonville friends of Grace Wood Jess will be happy to learn that she is to give one of her artistic folk song recitals for the benefit of the Woman's college endowment fund in Music Hall, Monday evening, Dec. 3.

Mrs. Jess has been making quite an extensive tour and is at present singing in the east. Mrs. Jess says in her recent letter, "I am remembering what Joseph Hoffman says 'No offering is good enough for the public.' I do my best always and too many times I know it is not good enough. My tour, up-to-date, has been more than gratifying. I have never been so happy nor been able to give with better joy, my audiences were a delight to my soul. I deeply appreciate your kind words of welcome. Try to like me just once more. I feel that I shall not be back to sing for you for a long time."

Ticket sale for the recital will be in the hands of the endowment committee and more definite announcements will be made soon.

SEA LEVEL FIGURES

White Hall, Nov. 14.—In answer to a query as to the comparative distances above sea level of the various towns in this section, the following information is found in the meteorological records of White Hall, compilations of Prof. Rolfe of the state survey in collaboration of railroad surveys. They are as follows:

Barrow, 650 feet; West Roadhouse, 654 feet; White Hall, 573 feet; Wrights, 575 feet; Greenfield, 586 feet; Jacksonville, 602 feet; Woodson, 682 feet; Murrayville, 688 feet; Manchester, 696 feet; Roadhouse, 651 feet; Berdan, 607 feet; Carrollton, 617 feet; Kane, 584 feet; Pearl 451 feet; Columbiana, 423 feet. Low water-mark at Columbiana, 404 feet.

CHANGES MADE IN CITY POSTAL ROUTES

Additional Carriers Makes Re-
arrangement Possible — Cler-
ical Force is Also Increased.

The business district of the city will have three letter carriers this morning instead of two as at present when re-arrangement, more or less, of nearly every postal route in the city will be made. One additional regular city letter carrier and one additional clerk has been added to the local postoffice after several weeks of effort. The business section served by the business district carriers will be considerably enlarged and by this arrangement this district should have better service if this is possible.

The area to be enlarged will take in West College avenue to Church street, South Main street to the 600 block, all of West Morgan street; West State street to and including the high school, north to the Tabash railroad on North Main and east on East State street to Clay avenue. These sections will now be benefited by three deliveries to both the residences and business houses. This is made possible by the addition of a new carrier. Postmaster Fay has made this arrangement to benefit as many places of business as possible.

The residence district routes will necessarily be changed because of the enlargement of the downtown three-trip area. These changes should be a benefit to the patrons on the changed routes as the carriers will, in most of the routes have less territory to cover.

Personnel Changed.

The carrier personnel is changed as follows:

City Carrier Henry Ricks will be removed from Route No. 11 to Business Route No. 15. Although Routes 2 and 3 will be somewhat changed to conform to the new rearrangement of the city Business District, Carriers Edgar Bussey and Glenn Skinner will remain in the business district.

Route No. 11 will have a new carrier, Sam Retzer who was recently appointed regular carrier. The carriers and clerks may be several days in becoming accustomed to the new schedule of routes with their usual uniformity and regularity but the local office is not expected to occasion any delay in the handling of the mail.

During the Christmas rush period and at all times with the new routes in effect, the office will be in a position to give the patrons the best possible service.

Early Christmas shopping and early mailing is urged to facilitate the movement of the mail. Postoffices are urging that gifts be mailed not later than December 15th, labeled "Don't Open Until Christmas."

**COMPLETE PLANS FOR
MOTHERS AND DAUGHTERS**
Fathers and sons will do all the work in connection with the mother and daughter banquet which is to take place at Grace M. E. church tonight. The men have made all the preparations and will serve the dinner. The menu will include chicken pie, rolls, salad, pumpkin pie, whipped cream and coffee.

Fred Hopper and A. G. Cody are in charge of the general arrangements and the following committees have been named:

Kitchen—Fred Hopper, Howard Cully, S. O. Shuff, Amos Swain and John Rawlings.

Serving—H. J. Rodgers, Fletcher Hopper, C. E. Williamson, P. F. Phipps, W. B. Rogers and J. C. Swain.

Rolls—J. W. Breckon and Harvey Atkins.

Dining room—Arthur G. Cody, J. J. Reeve and William Hall.

Coffee—H. P. Mohn.

Waiters—J. I. Graham, Dr. Applebee, Thomas Hopper, B. F. Lane, Richard Meldum, Harlan Williamson, J. H. Dial, H. L. Smetzer, Dr. H. L. Griswold, and Rev. Harry B. Lewis.

DURBIN S. S. BOARD TO MEET TOMORROW

The Sunday school board of Durbin M. E. church will hold a regular monthly session next Friday evening at 7:30 o'clock, at which there will be a discussion of various plans for the development of the school. The meeting will be called at 7:30 o'clock and a light lunch will be served during the evening.

WELSH SINGERS WILL APPEAR HERE NOV. 21

Famous Chorus to Give Concert
Under Auspices Local Post of
American Legion

The post activity committee of the local Legion post has made final arrangements for the appearance of the renowned Rhondia Welsh Male Singers at the local high school auditorium on next Wednesday evening. The local post has recently purchased a new home and the proceeds of the concert will be devoted to the building fund.

The Welsh singers are considered by some of the foremost critics of the country as forming one of the most talented concert organizations ever appearing in the United States. This chorus is the one which took first prize and \$1,000 in cash at the great international musical festival in Pittsburgh, Pa., in which 53 choruses of all classes took part.

This chorus has, but recently finished a tour of Canada, having played in Ontario on October 16 and 17, and is now on tour thru the United States. Bookings prior to the local engagement were at Grand Rapids, Kalamazoo, and Benton Harbor, Mich; Michigan City, Ind., Roseland, Chicago, Joliet, Ottawa, Peru, Peoria, Lincoln, Clinton, Decatur and Springfield, Ill., visiting the latter city the day before the local appearance.

Tickets are now on sale at all local music stores and reservation of seats will begin Monday at Brown's Music store. Owing to the fact that the seating capacity of the local high school auditorium is limited, all who wish to be assured of hearing this famous chorus are urged to take advantage of the advance sale of tickets.

SPRINGFIELD HOME DAMAGED BY FLAMES

The residence of Mr. and Mrs. G. E. Doying at 917 South Fourth street in Springfield was damaged to a considerable extent by fire Tuesday, according to word which reached the city yesterday. It was a roof fire and the flames were not extinguished until a considerable portion of the roof had been destroyed. It is estimated that the house was damaged to the extent of \$800 and that the damage to contents will add \$200 to the total loss.

Martha Harriet, daughter of Mr. and Mrs. Doying, is now ill with scarlet fever and the house is therefore under quarantine.

FRANKLIN RESIDENTS WELCOME NEWLYWEDS

Mr. and Mrs. Willard Dodsworth,
Recently Married in West, Are
Honored at Big Reception.

Franklin, Nov. 14.—About 75 well known residents of this community were present this evening at a reception for Mr. and Mrs. Willard Dodsworth, who were married at Berkeley, Calif., on Nov. 2. The affair was given at the home of Mr. and Mrs. W. T. Dodsworth, parents of the groom, who reside one and a half miles northwest of Franklin.

Mr. Dodsworth went to California five weeks ago to claim his bride, who was Miss Doris Sidenham, a native of Berkeley. She is a graduate of Miss Head's School for Girls of that city. She became acquainted with the groom on one of his many trips to the west, where he has been spending the winter for the past few years.

Mr. Dodsworth is a graduate of the University of Illinois with the class of 1921, and holds a membership in the Alpha Gamma Rho fraternity. He is to have the position of manager of the Dodsworth farm at Franklin, and he and his bride will make their home there.

Those who attend the reception at the Dodsworth home spent the evening in listening to music and in various forms of amusement. Music was furnished by a local orchestra. Those present included the following couples and their families:

Mr. and Mrs. J. P. Wood, Mr. and Mrs. William K. Hills, Mr. and Mrs. R. Y. Gibson, Mr. and Mrs. Harry Leadell, Mr. and Mrs. Edgar Sweet and family, Mr. and Mrs. J. A. Ryan, Lawrence Ryan, Mr. and Mrs. Lloyd Dahman, Mr. and Mrs. Robert Seymour, Mr. and Mrs. George E. Brown, Mr. and Mrs. Fred Burch, Mr. and Mrs. Dawson Darley, Mr. and Mrs. Frank H. Sinclair, Mr. and Mrs. Earl Miles, Mr. and Mrs. W. N. Luttrell, Mr. and Mrs. Frank Miller, Mr. and Mrs. Fred Miller, Mr. and Mrs. W. Robert Rodgers, Mr. and Mrs. W. E. Douglass, Miss Blanche Harney, Miss Eunice Armstrong, Mr. and Mrs. George Hills, Miss Edith Thursby, Mr. and Mrs. Ennis Ebrey.

HOW THE RED CROSS SERVES TUBERCULOUS PATIENTS

Tuberculous patients are among those disabled ex-service men who are most apt to be overlooked and who most need the personal attention which the Red Cross can give. For example, there was C—, brought to the attention of a Michigan Chapter last Thanksgiving Day, when the Superintendent of a local factory asked the chapter to go and see him. The super-

intendent had run across this man in a hospital ward, had learned that as a county patient he had been ill with pneumonia for about ten weeks, that his case had been diagnosed as tuberculosis and he was to be transferred to the county infirmary next day.

The Chapter telephoned the hospital authorities not to make this transfer until an investigation had been made and guaranteed hospital expenses during the investigation.

It took less than one-quarter of an hour's questioning to de-

termine that this man was properly a government charge. A history of participation in the Piavo drive, wet clothes and chilled body while doing night outpost duty in the Italian Mountains, pneumonia, hospitalization in an Italian hospital, cough more or less persistent from that time until the attack of illness which had sent him to the hospital some weeks before, furnished a chain of evidence which had no missing links. Because the man had been able to work for so long a time after leaving the Army, it had never occurred to him that he was entitled to Government care and he had never applied for it.

The Chapter took over the case Thanksgiving afternoon and made arrangements for his care and the care of the man's wife, who had been dependent upon him. Next day claim papers were filed and presently the man was transferred to a Government hospital, where he still is being cared for. Early in the spring he sent to his wife a check for several hundred dollars, which represented his hospital pay. He is now improving; his wife is provided for and his debts are paid.

EGGLESS RECIPES

If you would make a boiled cake frosting without eggs or butter try this recipe. The frosting is soft and creamy and has a delicious taste.

Boiled Icing

One and one-half cups granulated sugar, 2-3 cup milk, 2 teaspoons flour, few grains salt, 1 teaspoon vanilla.

Put sugar and milk in a smooth sauce pan. Let stand until sugar and milk are well blended. Cook until a soft ball is formed when a few drops are tried in a saucer of cold water. Do not stir after the sirup begins to boil. Put the flour in a bowl. Just before the sirup reaches the soft ball stage pour a little over the flour, stirring to make a smooth paste. Add two tablespoons more of the sirup and stir until smooth. Return the sirup to the fire and finish cooking. Pour into flour and sirup mixture and let stand until cool. Add vanilla and beat until creamy. Spread on warm cake. Caramel sauce is always good on a pudding or as a "dip" for ice cream.

Caramel Sauce

One and one-half cups granulated sugar, 1-2 cups boiling water, 1 tablespoon butter, 1 dessert-spoon cornstarch.

Melt sugar in an iron or aluminum frying pan. Put over a hot fire and stir constantly until golden brown. Add boiling water and simmer until sirup is dissolved. Add butter and cook ten minutes. Dissolve cornstarch in a little milk and stir into boiling sirup. Let boil one minute and put over hot water to keep hot.

Steamed puddings are always light and moist and altogether

rather better than the average baked pudding.

Steamed Pudding

Two tablespoons butter, 4 tablespoons molasses, 4 tablespoons milk, 1-4 cup white flour, 2-3 cup graham flour, 1-4 teaspoon soda, 1-8 teaspoon salt, 1-4 teaspoon each cinnamon and nutmeg, 1-2 cup stoned dates.

Melt butter. Add molasses and milk. Add graham flour and mix well. Mix and sift white flour, soda, salt and spices. Add to first mixture. Stir in dates. Turn into a buttered mold and steam one and one-half hours. Serve with lemon sauce.

Lemon Sauce

One and one-half cups boiling water, 3-4 cup sugar, 2 dessert-spoons cornstarch, 1 tablespoon butter, 1 tablespoon grated lemon rind, 3 tablespoons lemon juice, few grains salt.

Mix sugar and cornstarch. Slowly add water, stirring constantly. Boil until clear and thick, stirring to prevent sticking. Add butter, lemon juice and rind and cook two minutes longer. Remove from the fire and serve warm.

Eggless Cake

Two cups flour, 1-2 cups sugar, 4 tablespoons lard, 4 tablespoons butter, 1 cup sour milk, 1 teaspoon soda, 1 teaspoon cinnamon, 1-8 teaspoon salt, 1-2 cup seeded and chopped raisins.

Rub shortening into flour with tips of fingers. Stir in sugar. Dissolve soda in sour milk and stir into mixture. Beat well and add cinnamon, salt and raisins. Turn into a buttered and floured loaf cake pan and bake 45 or 50 minutes in a moderate oven. (Copyright, 1923, NEA Service, Inc.)

THE REFEREE

By Albert Apple

Reincarnation

A professor in England claims he "lived before" on earth and can vividly remember his former lives or incarnations. In one of these he was a high priest in Egypt, he says, in another life a great Phoenician artist, later a Greek philosopher.

This is a familiar ring. You never find a reincarnationist recalling he was a nobody in a previous existence.

Land

A real estate deal in New York City involves the sale of a strip of land 10 feet deep and only two-thirds of an inch wide. A surveyor made a mistake in Civil War days, and this tiny slice had to be bought to clear the title.

Our generation worships land rather than the golden calf. Land ownership is the keystone of our system of economics, also the foundation of a lot of our troubles. The speculative value of land in cities is created by the activities of people who work on the land or nearby, rather than by the owners.

Light

A flashlight, operated by a small storage battery and throwing its rays three-quarters of a mile, was invented in Boston. It's being adopted by fire departments, sewer diggers and so on. The whole outfit weighs only 12 pounds.

The best brains of our generation are engaged in invention and business. In former generations the top-notch intellects "went in for" the arts and government. That's why real artists now are scarce, and real statesmen scarcer.

Feminine

In the matter of people between 20 and 40 years old, France now has six women for every five men. So several million women are condemned to spinsterhood.

Professor Girault, French sociologist, studies this lack of balance between the sexes and decides that Europe in general, and France in particular, is destined to undergo a long period of feminization. He apparently believes that the minority always rules and he's right. The majority just thinks it rules. Bolshevik Russia isn't the only sample.

SOUTH SIDE CIRCLE

The South Side Circle will meet Friday afternoon at 2:30 with Mrs. James Scott. Mrs. Lee Crawford will have charge of the program.

Women Need Swamp-Root

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

CITY PLAN BODY TO MEET FRIDAY

Commission Will Seek Expression of Public Opinion on Plan Proposals.

The City Plan Commission will hold a meeting in the Chamber of Commerce rooms Friday evening. This will be one of the important meetings of the Commission, and Chairman Rammelkamp hopes that every member of the Commission will be present. The work of the Commission has now reached a point where several matters need definite settlement. The Commission is especially anxious to know whether the citizens of Jacksonville really wish a plan for the future development of their city. Shall we have a definite plan for our future development, or shall our city proceed in a haphazard way that will only store up future troubles and difficulties.

The Commission at its meeting Friday night will consider how best to secure some expression of public opinion on this point. Possibly a public meeting will be called or plans will be made for inviting the citizens of the city to a supper for a more informal and deliberate consideration.

WOMEN OF MIDDLE AGE

Relieved of Nervousness and Other Distressing Ailments by Lydia E. Pinkham's Vegetable Compound

Brooklyn, N. Y. — "I first took Lydia E. Pinkham's Vegetable Compound four years ago, and am taking it now for the Change of Life and other troubles and I receive great benefit from it. I am willing to let you use my letter as a testimonial because it is the truth. I found your booklet in my letter box and read it carefully, and that is how I came to take the Vegetable Compound myself. It has given me quiet nerves so that I sleep all night, and a better appetite. I have recommended it already to all my friends and relatives." — Mrs. ENGLEMAN, 2022 Palmetto St., Ridgewood, Brooklyn, N. Y.

For the woman suffering from nervous troubles causing sleeplessness, headache, hysteria, "the blues," Lydia E. Pinkham's Vegetable Compound will be found a splendid medicine. For the woman of middle age who is passing through the trials of that period, it can be depended upon to relieve the troubles common at that time.

You should give it a fair trial now.

tion of this problem of city planning. Due announcement will be made as soon as the Commission meets and considers these matters.

MICHIGAN PREPARES FOR WISCONSIN

Much Depended on the Ability of Yost to Develop a Quarterback—Gophers Meet Iowa Saturday.

Chicago, Nov. 14.—Upon the ability of Coach Yost to develop a quarterback who can fill the place left by injury to Irwin Uteritz, depends largely the outcome of the Michigan-Wisconsin football game Saturday, followers agreed. The Wolverines must win and then overcome Minnesota November 24, to hold a claim to the Western Conference title.

Coach Ryan's Badgers are showing a fight in scrimmage that indicates a stiff contest against Michigan.

The regulars are all in good shape. Michigan, without Uteritz is depending on Parker and Rockwell to fill his shoes. Minnesota is on edge for Iowa. Home-coming for the Gophers is bringing thousands of graduates back. Iowa's team will be the strongest it has put on the field this season, according to reports.

The success Chicago displayed with its forward pass attack against Indiana last week is causing observers to predict the Chicago-Ohio contest will provide an excellent aerial display. Northwestern during its practice scrimmage, preparatory to the Purdue game at Lafayette Saturday failed to show any great strength.

I. S. D. TIGERS WON FROM BENTON TEAM

Local Team Defeated Southern Illinois Players Wednesday by Score of 22 to 20.

Coach Robey Burns' Tigers of the School for the Deaf are resting content after having feasted on the Benton High School in a close game of football in that city yesterday.

The local eleven left the city yesterday morning with a determination to show Col. O. C. Smith's "Old Home Town" what real football is. With the long end of the score of 22 to 20 in their favor they will come back with their determination fully realized. This team has met and defeated some of the strongest football eleven in Central Illinois, and with the Benton High School scalp, are nearing the close of a most successful season.

West Virginia Still Unbeaten

Top, left to right: Fullback, Gus Ekberg; end, Fred Graham. Bottom, left to right: Halfback, Jack Simon; Halfback, Nick Nardacci.

By BILLY EVANS
UNIVERSITY OF WEST VIRGINIA, unbeaten on the gridiron in 1922, has every prospect of going through another season with a clean record.

The one big game of the year on the West Virginia schedule remains to be played with Washington and Jefferson on Thanksgiving Day. The dope strongly favors West Virginia to win.

West Virginia and Washington and Jefferson are bitter rivals.

If either team lost every game on the schedule, only to emerge the victor in the Turkey Day battle, all would be forgotten. The rivalry between Princeton, Harvard and Yale has nothing on the West Virginia and W. & J. situation.

Dope Favors West Virginia

In only one game so far this season has West Virginia met a worthy foe. In the game with Penn State the best West Virginia could get was a 13 to 13 tie, a

couple of costly fumbles playing havoc with their hopes of victory. Since Penn State beat the Navy, 21 to 3, it is an easy matter to get a line of the caliber of West Virginia this year.

The dope doesn't always run true to form on the gridiron, but the following figures make West Virginia a strong favorite over Washington and Jefferson and point to another undefeated year. Lafayette held W & J to a 6 to 6 tie. Rutgers played Lafayette to a draw decision, 6 to 6. West Virginia, on the other hand, overwhelmed Rutgers, 27 to 7.

Much of the success of West Virginia, coached by "Fat" Spears, former Dartmouth star, centers in his veteran backfield. In Gus Ekberg, Nick Nardacci and Jack Simon, Spears has three star backs, well drilled in his style of play. At end Fred Graham has also played a leading role in practically every game.

Crack Backfield

Able supported by a strong line, West Virginia's crack backfield has played havoc with the opposition. Spears has a varied style of attack, a backfield that can hit the line, throw passes and skirt the ends. Running many of his plays from a pass formation, he is enabled to keep the opposition in the air.

Last year West Virginia was one of the eastern colleges selected to send a team west. West Virginia played Gonzaga, coached by Charles Dorais, former Notre Dame star, and upheld the prestige of the east by winning, 21 to 13, in a very sensational game.

The West Virginia team of 1923 looks like a stronger aggregation than that of last year and if it disposes of Washington and Jefferson, as the dope says, it should, Spears' team must be accorded a high rating at the close of the season.

ILLINOIS DRILLED ON OHIO PLAYS

URBANA, Ill., Nov. 14.—Coach Bob Zupke drilled his Illinois squad tonight on defense against Ohio formations, abandoning for the time being consideration of the Mississippi A. and M. game Saturday. The freshmen gained consistently through the varsity line on open formations and passes, although the regulars intercepted a number of their aerial attempts.

Zupke continued to try one new back field candidates, who will probably be tested against the southerners Saturday. Runc Clark, regular quarter last year, Jenks and Mauer have all been used. Four ends are alternating in first string flanks, Richards and Follett replacing Rokusek and Muhl.

MOLINE HIGH SCHOOL HAS TWO OPEN DATES

MOLINE, Ill., Nov. 14.—Moline high school's football team, undefeated in the state and claimant of the Illinois prep championship, is still without games for November 17 and November 24. C. W. Holmgren, faculty manager, challenges any high school team in the middle-west for a game on either of the open dates, the game to be staged either in Moline or abroad. A Chicago team is preferred.

McGRAW STARTS TO REBUILD HIS TEAM

NEW YORK, Nov. 14.—The passing of Dave Bancroft, Casey Stengel and Bill Cunningham from the Giant roster and the acquisition of Billy Southworth and Joe Oeschger from the Boston Nationals is construed by baseball fandom as the opening move by Manager John McGraw, toward almost complete reconstruction of the New York Nationals.

If such it proves, it will mark the fourth time in McGraw's 21 years as Giant manager that he has so overhauled his organization. Each of his earlier efforts ultimately brought National League pennants to New York.

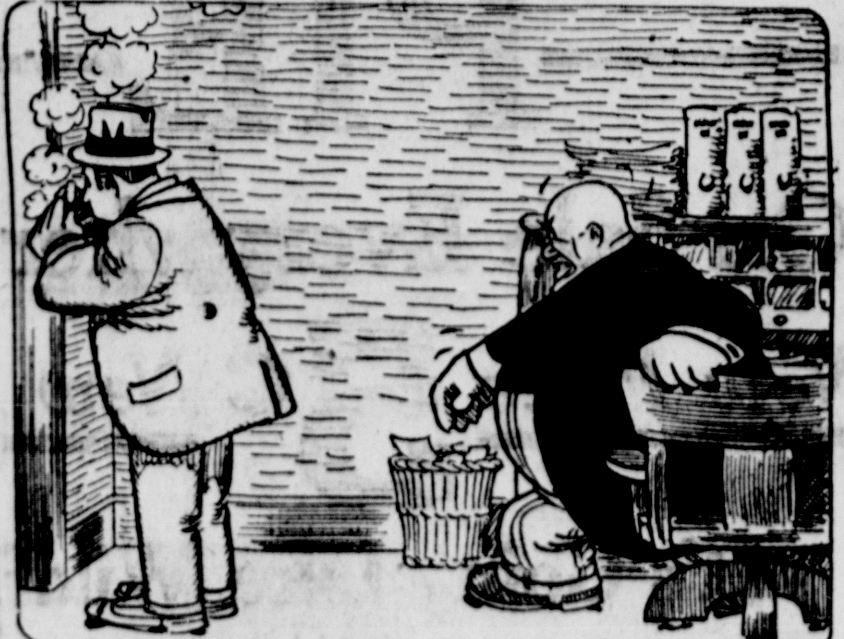

How extensive will be the remodeling is unknown. McGraw has been quoted as saying he is prepared to trade all his 1923 players except Frank Frisch, Ross Young and Travis Jackson, but whether the trades offered by other clubs will prove acceptable remains a question.

YEARS FOR RING

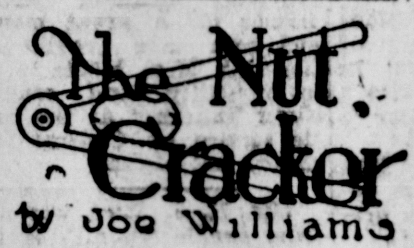

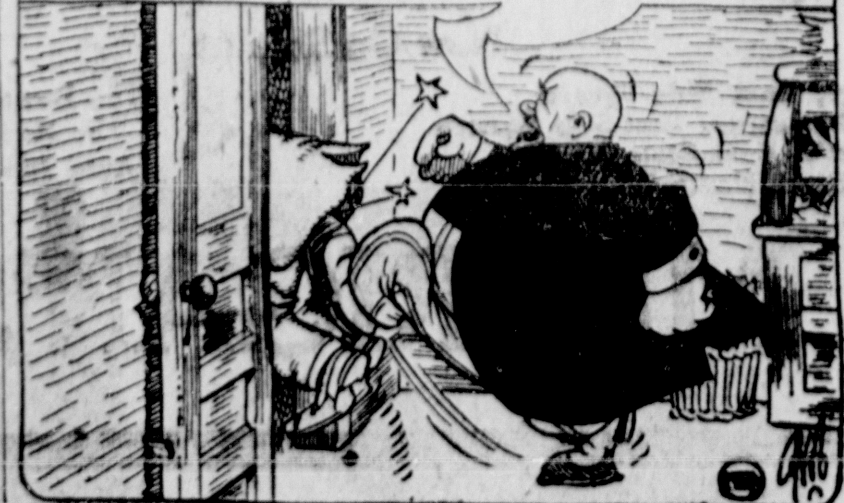

Despite the success that Carl Mays has had as a pitcher he says he regrets that he didn't take up pugilism instead. He has always been a fight bug.

MISSOURI PRISONERS PULLING FOR ILLINI

URBANA, Ill., Nov. 14.—Prisoners at the Missouri state prison at Jefferson City, Mo., are all pulling for Illinois to come out on top in the big ten this year. George Huff, director of athletics at the University of Illinois, today received a letter from authorities thanking him for football equipment which the Illinois Athletic Association sent to assist in the formation of a prison gridiron league and assuring him that the men in the prison were pulling for the Illini.

RHEUMATIC PAINSGERMAN CHEMISTRY
ACHIEVES ANOTHER
TRIUMPHNothing is so important in
medical practice as the conquest
and elimination of pain. For
many years German scientists have
specialized on this subject, pro-
ducing many of the most import-
ant medical discoveries of the age,
among which are Aspirin for the
relief of headache pain and Novo-
cain for painless dentistry. Now
from the same source comes Buh-
ler Oil for Rheumatic pain, a
scientific formula that penetrates
the skin and tissues rapidly,
soothing the pain almost instan-
tly, and in a few minutes produ-
cing that comfortable feeling that
means so much to sufferers.Knowing that rheumatic pains
must have a definite cause, these
German chemists persist in their
experiments, finally arriv-
ing at the conclusion that toxic
poisoning from clogged intestines
was transmitted through the
blood to joints and muscles caus-
ing inflammation. After that it
was a problem of finding the
right combination of materials to
counteract and quickly end the
pain.Buhler Oil has been used by an
immense number of people with
almost universal success. Many
stubborn, long standing
cases have responded quickly to
this remarkable lubricant. So
astounding have been the results
and so universal the praise ac-
cording Buhler Oil by users that
local druggists are glad to en-
dorse it and will cheerfully re-
turn your money if you are not
thoroughly satisfied. Buhler Oil
is for sale in this city by Arm-
strong Drug Co., Gilbert Phar-
macy, J. F. Shreve, Long Phar-
macy, Coover Drug Co. Advt.

High 1923: 90.51; low 79.53.NEW YORK, Nov. 14.—Stock
prices closed slightly lower under
an all day struggle between op-
posing speculative forces in to-
day's stock market. Special
strength again developed, how-
ever, in some of the low priced
rails, particularly the Erie issues
and in a number of industrial
specialties.Extensive profit-taking and
short selling was in evidence in
the industrial list on the theory
that the rapidity and extent of
the recent advance warranted a
further reaction, solely on techni-
cal grounds, but offerings were
well absorbed, the recessions in
most of the standard industrials
being limited to fractions. Fresh
buying power was comparatively
light despite special dividend
payments of Eastman Kodak, In-
gersoll-Rand, Vacuum Oil, Bucy-
rus company, Essex company, and
United States gypsum corpora-
tion.Heavy buying of the Erie is-
sues, which comprised more than
one eighth of the day's total
transactions, gave rise to reports
of competitive bidding for the
stock in the open market, the New
York Central, Lackawanna and
Van Swearingen interests being
mentioned in this connection, but
these lacked verification. All
three classes touched new highs,
the common at 198, the first pre-
ferred at 224 and the second pre-
ferred at 223, but the closing fig-
ures were 1 to 1 1/2 below the fig-
ures.United States Steel closed
slightly higher at 94, but the in-
dependent steels showed slight re-
cessions. Studebaker also regis-
tered a slight gain while Baldwin
and American Can lost ground.One of the features of the in-
dustrial list was the sharp rise
in the Maxwell Motor issues, the
A stock jumping 8 points to 55
and the B climbing 4 1/2 to 111,
each closing slightly below the
top figures of the day.Consolidum, which has risen 48
points in the few months it has
been traded in on the "big board"
broke seven points today but re-
covered all but 2 before the close.
American woolen which sold free-
ly in announcement of the com-
pany's intention to float a \$5,000,
000 bond issue to pay for improve-
ments, the stock closing 1 1/2 lower
on the day.Trading in active United States
government bonds was dull with
several issues slightly off for the
day.Total bond sales, par value \$11-
698,000.

AND MARKET QUIETCHICAGO, Nov. 14.—Butter
trading in the market here was
almost quiet enough to give the
market an easier appearance to-
day.Supplies were ample. Most
dealers were looking for buyers.
Ninety-two score could be bought
at the below listed prices. Only
particularly desirable lines com-
manded a premium. There was
some demand for 90 score cars
the supply of which was light. Low-
er scores were decidedly slow
and more sales were reported at
concession.Scarcity of fresh 90 score cars
kept that part of the market firm.
Lower score cars were hard to
sell. Storage butter was much
quieter.Fresh butter: 92 score 5 1/2; 91
score 5 1/4; 90 score 4 3/4; 89 score

Wonderful Styles

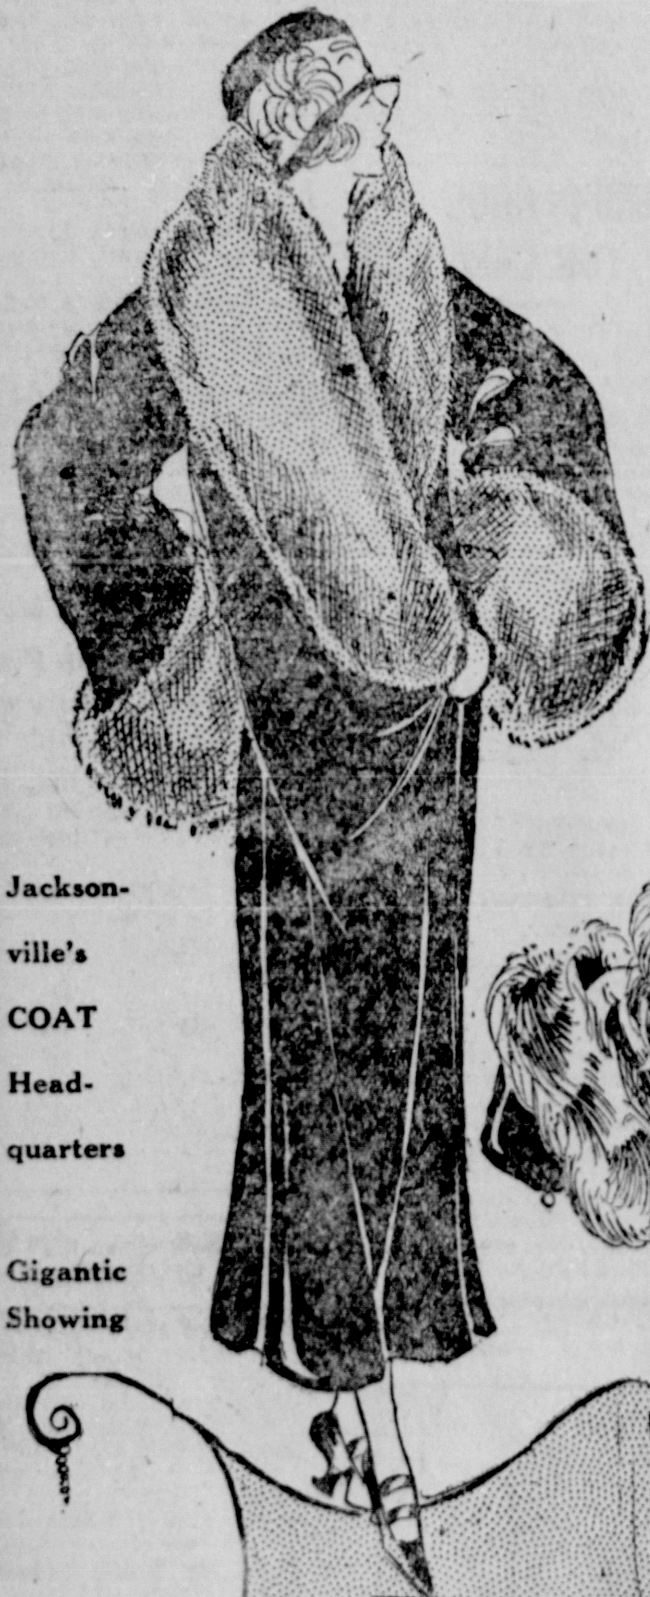

These Assortments are a Revelation to Women Who Seek the Best in Style and Value

The very latest materials fashion these coats. Qualities of a richness and charm that makes one easily imagine such coats ought to sell at far more than they are priced here; warmth-giving fabrics, but of weight to afford utmost comfort. Fashioned on the youthful and slenderizing lines of the accepted silhouette of the season.
